

**REMARKS**

In the Office Action dated October 14, 2005, the Examiner examined claims 1-42 and identified three species of invention: species I (see, Figures 1-5, 9A, 9B, 10 and 11), species II (see, Figures 6 and 7), and species III (see, Figure 8). The Examiner requested election of a single disclosed species.

In response, Applicants elect, without traverse, species I. The following claims are believed by Applicant to read on the elected species: Claims 1-23, 26-30, and 34-42. Claims 24- 25 and 31-33 are withdrawn from the application. Applicant agrees with the Examiner that at least Claim 1 is generic.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
